October 11th, 1919.

Madam Serrure,

19 rue des Petits Champes,

Paris, France.

Dear Madam:-

I should be very glad to have you send me for examination and possible purchase such coins of Metapontum as you may have in your possession for sale. I should prefer that you send casts of pieces valued over five hundred francs rather than the pieces themselves, and that you insure the consignment fully. If there are pieces which the Society or some of its members desire to buy I will send you a remittance for them and return the balance of the coins after an interval of not more than six or eight weeks.

Yours very truly,

Secretary.
